"She Loved Like Diamond"

She ran the risk from unity

Obsession dies alone with tragedy

She loved like diamond

She loved like diamond

And cut so hard

She died

A passion course that leads to pain

An acid taste that laced her soul again

She loved like diamond

She loved like diamond

And cut so hard

She died

Another path, I've run them all

The rain has cleared the stains, no trace at all

She loved like diamond

She loved like diamond

And cut so hard

She died
