"Wave Goodbye"

When it's time to go
Say so and I'll know
When it's time to go
When it's time to leave
Don't grieve for me
When it's time to leave

Just wave goodbye
Just wave goodbye

Don't hold on to my hand
Just be kind and understand
But don't hold on to my hand
Don't look me in the eye
And I won't cry
Don't look me in the eye

Just wave goodbye
Just wave goodbye
Cause everything dies
Sometime

No more making plans
We've washed our hands
No more making plans
We'll have no use for words
They've all been heard
We'll have no use for words

Just wave goodbye
Just wave goodbye
Just wave goodbye
Cause everything dies
Everything dies
So just wave goodbye
