no other choice but to shake them

blood pressure dropping but he is a fighter
he is a boxer unless you wanna leave .. is the only
option
he sees the butterflies but we try to keep him conscious
oxygen flow constant is just a consequence
when them bullets come out of the gun
and I am .. and .. say â€¦ he say he is about twenty
not a bad paramedic they just go with the â€¦
so all feels bad like everything end me
bring him back to life .. he just lost one

when them bullets come out of the gun
and is stabbing there is no way to run
you are gone
you are gone
you are gone
