(Hook)

You ain't gotta worry boy, I got it (I got it) x2;
Them other bitches cant forget about it (about it);
I'm the only one and yeah ain't no doubt about it;
With my heels high, make up on, yeah;
I'm the only one you wanna wake up on, yeah;
With my heels high, make up on, yeah;
you ain't gotta worry baby, I got it

(Verse One)

We fall out, we make up;
no break ups gon break us;
please don't compare us to them other muthafuckas;
I ain't him and that ain't us;
If my star got dim and the doe got low;
you'll still be here, that's all I know;
So all I got, that's all I owe;
windows? down, that's how I roll;
If I lost the cars, lost them fame;
Hoes on the road wasn't screamin' my name;
You'd still be with me on the train;
That's why you won't here me complain;
That's why(why) I give you my last;
Stack for shoes, 3 racks for the bad;
Throwin both in the back of the jag;
?Rollin' when its good, still rap when its bad?;
Loyalty, that's everything;
You royalty, my everything;
my rib, my heart, my back bone;
Can't wait to get you back home;
Keep them heels on, take the makeup off;
Promise you don't even need that shit;
You flawless, the rawest;
Take all this, ima beat that..

(Hook)

You ain't gotta worry boy, I got it (I got it) x2;

(Verse 2)

You been here, day one;
Cut from the cloth I was made from;
Them fools that had you before me either blind as hell
or just plain dumb;
One mans' trash is another mans' treasure;
One mans' pain is another mans' pleasure;
Been thru the storm that the others can't weather;
None of that matters tho as long as we together;
You so fine, so thoroul ;
I heat up in this cold world;
They don't understand us, its us against the whole
world;
I put that on everything;
These other hoes, they know nothing;
They fascinated by the fast life, infatuated with
stunting;
You fly as hell but you grounded;
Mean mug when I pound? it;
I discovered that G spot and you thank the G that I
found it;
Put ya heels on and that make up off, I told you you
don't need that;
You flawless, the rawest, I promise ima peep that...

(Hook)

You ain't gotta worry boy, I got it (I got it) x2;
Them other bitches cant forget about it (about it);
I'm the only one and yeah ain't no doubt about it;
With my heels high, make up on, yeah;
I'm the only one you wanna wake up on, yeah;
With my heels high, make up on, yeah;
you ain't gotta worry baby, I got it
