

Scandal "Goodbye To You"

Visit "[Goodbye To You](#)" on [MotoLyrics.com](#)

Those times I waited
for you seem so long ago
I wanted you far too much
to ever let you go

You know you never got
by "I feel it too"
And I guess I never
could stand to lose
It's such a pity to say

(chorus)
Goodbye to you
Goodbye to you

Could I have loved someone
like the one I see in you
I remember the good times baby now
and the bad times too

These last few weeks
of holding on
The days are dull
the nights are long
Guess it's better to say

(chorus 2x)

'Cause baby it's over now
no need to talk about it
It's not the same
My love for you's

just not the same

And my heart, and my heart
And my heart can't stand the strain
And my love, and my love
And my love won't stand the pain
And my heart, and my heart
And my heart can't stand the strain
And my love, and my love

And my love...

(chorus 2x)

Now could I have loved someone
like the one I see in you
Yeah I remember the good times baby now
and the bad times too

These last few weeks
of holding on
The days are dull
the nights are long
Guess it's better to say

(chorus 2x)

Goodbye baby
So long darling
Goodbye to you
