[you don't like me
Well i don't like you either
But we could go home]
She talks in paragraph
Rambling paragraphs
About her work on a sunday
She wants my autograph
But she don't wanna ask
She's gonna get it one day
Faces faces faces
I didn't want it to happen this way
Everything you die for
I wouldn't live for
But that's ok
Chorus-
I rained on the princess parade
She's just a beautiful girl
Who was raised in the shade
Fresh meat and the blood is so sweet
And she knows, she knows
I can't recall
A word she said at all
I just wanted to make her feel like something
That she wasn't [she never was]
I can't recall
A move she made at all
I just wanted to make her feel like something
That she wasn't [she never was]
Chorus
Braggadocio baby doll
Standing against a wall
She used to model for mervyns
I think she's a counterfeit
But i'd be on top of it
If she thought that i deserved it
Wasted wasted wasted
Poisonous games she loves to play
Everything you die for
I wouldn't live for
But that's ok
Chorus
