### "God Of Disgrace"

I failed. I tried. On my time you lied.  
I freed myself, but i'm tied, i'm tied.  
Inside, curl me up and throw me in the gutter.  
I hide, freedom as i feel mental slaughter.  
Still blind, quick to see the way i falter.  
I'm tied, now to fuel the way i feel that...  
I'm a god, but not a man.  
Pure disgrace mirrors pure hate.  
I'll break this mirror to match your face,  
I'll break this mirror tempt my disgrace.  
Inside, I hide, still blind, i'm tied  
I'm a god, but not a man.  
Pure disgrace mirrors pure hate.  
I'll break this mirror to match your face,  
I'll break this mirror tempt my disgrace.  
Inside, I hide, still blind, i'm tied  
I'm a god, but not a man.  
I can see what no one can.  
I'm a god, but not a man.  
I'm a god, but not a man.  
I'm your god of disgrace, disgraced.  
I'm your god of disgrace, disgraced.  
A god. A god. A god. A god.
