Like a bird start
To flying throught
The wind and he is
Singing goodbay

When he stop he
Is trying to forgot
What he is running
For...

Like a bird...

Like a bird I flying
Throught the wind
And I'm singing
Goodbay...

Like a bird I just
Know where to live
Ohhh yehhh...

Like a bird I just
Wont to be free
Like you ohhh yeh...

Maybe I some day will
Survive from this
Danger world...

Like a bird...

Like a bird start
To flying throught
The wind and he is
Singing goodbay

When he stop he
Is trying to forgot
What he is running
For...

Like a bird I flying
Throught the wind
And I'm singing
Goodbay...

Like a bird...

Like a bird I just
Wont to be free
Like you ohhh yeh...

Maybe I some day will
Survive from this
Danger world...

Like a bird start
To flying throught
The wind and he is
Singing goodbay
