Well a prayed for a moment  
For a moment to come!  
To let me fly free  
In my dreams and in my life.  
To become someone that I will respect  
And be proud in my self in my life and everything.

My road is the same, I walk milles away  
Do you feel the same, my friend...  
My eyes are the same, I saw many things  
Do you see the same, my friend...

Noking my doors like I never use to  
I prayed for my life because I am scared to  
Am angry every day, never smille in my face  
Why life is so mean can't you explain to me!

My road is the same, I walk milles away  
Do you feel the same, my friend...  
My eyes are the same, I saw many things  
Do you see the same, my friend...
