I run back to my old place  
Cos my dreams are still there  
With out them I just can not  
Think I lose my way and I lose  
My self...

Pregnant girl run away from  
Her stupid boyfriend he told  
Her will never be meried so  
She run and ever come again.

The rain is stop and I went for  
A walk I didn't take my self phone  
He start ringing but nobody know's  
Who was it and what was for...

An old lady go for her shop  
To buy bred, milk, coffe and salt  
A robbery get there she lose it  
All she didn't have nothing at all.

I talk to my self a lot cos I didn't  
Have nothing at all my dreams was broken  
My car was broken I didn't have nothing at all...

A girl smile me one time she was  
Pretty and I lose my mind she has  
Blond hear and blue eyes red lips  
And nice smile...
