Where do I go
I really just don't know

I am searching for
A place down in U.S.A

I am traveling to
Much to find my way...

Where do I go
If you ask me I don't know

I am searching for
A place for a better day's

Do you know the
Way drive me please...

Drive me please
To the better day's

Drive me please
So I can find my way

Drive me please
To the better day's

Where do I go
I don't know...

I am talking to my self
It's funny listining

What else I can
Do to prove that I am fool

I am learning every
Day so start to explain

Where do I go
If you ask me I don't know

I am searching for
A place for a better day's

Do you know the
Way drive me please...

Drive me please
To the better day's

Drive me please
So I can find my way

Drive me please
To the better day's

Where do I go
I don't know...
