The sea is fine alley napping the wolf is out to lunch  
The sky is not the limit and I bake pies  
I am a believer  
Pouting through the triangle of Bermuda  
Swinging your mood and your fancy pants  
Trying to creep on through to cloud nine  
I have half a mind to blow your mind  
Stepping through a mine field of I told you so's  
Tip toeing in tap shoes with so and so  
I ask you face to face and nose to nose  
Are you a believer — I am a believer

Call me pussy pussy little kitten  
I bind my foot to shut your mouth  
Come close and tickle me pink  
Sugar sweet sweet — mouth watering treat me like a  
Queen

Are you a believer — I am a believer  
The sea is fine alley napping the wolf is out to lunch  
The sky is not the limit and I bake pies  
I am a believer

I hear their bodies pop under my shoe  
They speak in tongues and tiny circles  
Loop de loop here we go loop de loo

No one dare call me a liar  
You are the eighth or ninth or tenth wonder  
Me I'm hollow not shallow  
But fierce like Bruce Lee  
I am a believer Are you a believer

Call me pussy pussy little kitten  
I bind my foot to shut your mouth — come close and  
Tickle me pink  
Sugar sweet sweet mouth watering treat me like a  
queen  
The world is my absolute oyster in the innocence of  
Outer space  
Here in the void of Alice you're it na na nana na

Loop de loop here we go loop de loo  
Are you a believer I am a believer
