All you rise?
Outside?

In this half light
But your not so sure
Of yourself tonight
We have got ourselves a fire
For us to light, but you
Yeah you remain
So quiet & polite

& I said, Don't you mourn the sun!
& I said, Don't you mourn the sun!
& I said, Don't you mourn the sun!
Cause darling, the nightmare has just begun
Darling, the nightmare has just begun
It's just begun

Now don't you dare
Don't you dare
Don't you dare
Sleep
We'll take this night for all we can keep

Now don't you dare
Don't you dare
Don't you dare
Sleep
We'll take this night for all we can keep

& I said, Don't you mourn the sun!
& I said, Don't you mourn the sun!
& I said, Don't you mourn the sun!
Cause darling, the nightmare has just begun
Darling, the nightmare it's just begun

Now, we'll be happy
Until dawn

We'll be happy
Until dawn

We'll be happy...
My darling, the nightmare has just
Don't you, don't you
