Baby I've been tryna deal with you  
But I don't feel the way you do  
And I think that we should move on  
'Cause I'm slowly fallin' out of love  
I love you and I always will  
I know it hurts but this is how I feel  
I just cant keep goin' on like this  
We just keep goin' through the same shit  
I think its best that we end this here  
I know that you may not even care  
But I really had to let you know  
You seemed to want to, so now u can go  
It hurts me and it breaks my heart  
'Cause I never thought that we would part  
But I just dont feel the love  
It like there's someone else that you're thinkin of  
So go ahead and do wut you do  
Know that I will always miss you  
I have to end this song now  
'Cause the tears are startin' to fall down

{We just gotta move on}
