I wanna say what I wanna say and I wanna say it
I wanna go where I wanna go and never come back
I wanna do what I wanna do and I won't regret
If I should fall no matter I have it all
It was a time I can't believe
I didn't deserve a chance I finally know this guy didn't
need you anymore
For me to live no
I dedicated every minute of my... to serve you
That's when I lost myself when I thought I couldn't live a
minute
Without you that's when I... to life
I wanna say what I wanna say and I wanna say it

I wanna go where I wanna go and never come back
I wanna do what I wanna do and I won't regret
If I should fall no matter I have it all

When I say I have it all I got me
That's all I need it took me to be far away
To realize that I am gonna be ok
I wanna say what I wanna say and I wanna say it
I wanna go where I wanna go and never come back
I wanna do what I wanna do and I won't regret
If I should fall no matter I have it all
It was a time I can't believe
