Stabbing me, enemy daggers are haunting me
Suffering, I'll do it my way
Stabbing me, enemy daggers are haunting me
Suffering, I'll do it my way
Money game, hall of fame, stupid celebrities
Surging pain, I'll do it my way
From liberty to statue blues
A bunch of legless kangaroos
Forgetting you is like loving a lover
Everyday I dream about it
Doing away with the likes of you bothers
Shout it out loud
How can I find a way out?
Left or right, front or backwards?
Let us gather a crowd
I know you by your sound
Tell me why was I frustrated
Let us gather a crowd
Failing me, enemy daggers can't get at me
Jealousy? I do it my way
Hall of fame, end of game, Saturday, I am free
You can see I do it my way
Forgetting you is like loving a lover
Everyday I dream about it
Doing away with the likes of you bothers
Shout it out loud
How can I find a way out?
Left or right, front or backwards?
Let us gather a crowd
I know you by your sound
Tell me why was I frustrated
Let us gather a crowd
How can I find a way out?
Left or right, front or backwards?
Let us gather a crowd...
Find me out
Left or right, front or backwards?
Let us gather a crowd
I know you by your sound
Tell me why was I frustrated
Let us gather a crowd Search this site
