[Scarface]

Dirty

Nigga, dirty money

[Tanya Herron]

Yeah, yeah, yeah, yeah, yeah

[Scarface]

Dirty, fo sho

It's your downfall

[Tanya Herron]

Yeah, yeah, yeah, yeah, yeah

[Scarface]

Hopeless again, and the more I stick around the shit  
get more fucked up

That's why I'm back on Holloway gettin' fucked up

Thinkin' back on how it used to be when it was all good

We wasn't trippin', this was our hood

I had your motherfuckin back

And when it was time to go to war, it was like "where  
these niggaz at?"

Fuck rackets, we ain't never been the type to hold out

Or, let a motherfucker show out

No doubt, we put it down for the 9-0-triple 4

Droppin tops, fuckin fine hoes

These other niggaz is finally catching up

Listening to rappers ballin and gettin touched

Wasup? You done forgot about the street rules,  
splurging

Is you a motherfucking fool?

Money ain't a thing to a nigga out here rappin

But to a nigga out there cappin?

That's they downfall

[Chorus: Tanya Herron]

Dir-tayyyyyy, yeah

Dirty money

Yeah, yeah, yeah, yeah, yeah

Dirty money

Dir-tayyyyyyyy, yeah

Dirty money  
Yeah, yeah, yeah, yeah, yeah  
Dirty Money

[Scarface]

Now the whole neighborhood silent  
Got the fed-e-rals hangin (Shhhh)  
While these young niggaz steady sangin  
I need a motherfuckin law-uh-yer (Why's that?)  
I'm in a state of paranoia  
How many niggaz in the six-by-six  
Fin' to get, some time behind some loud mouth bitch  
Fin' to snitch, trapping niggaz up in they downfalls  
Taping motherfuckers phone calls  
Ay, I've been in this shit for two deep  
From moving ki's, pushing weight was too sweet  
An 8-ball will cost you 75 (Dirt cheap)  
Back in the game that shit was live  
And all you had to do to survive was get a whole click  
Of niggaz, down with they business and stack chips  
Savin up for hard times  
Do the time when you do the crime  
You niggaz tryin to ? your downfall

[Chorus]

[Voice with effects]

Nothing lasts forever but love  
Money comes and goes  
But for those ?? it surely goes

[Scarface]

You rollin over in the joint, trying to get your time  
dropped  
Puttin niggaz up forever, cause you did the crime hop  
Turned fed, and know they got indictments for real  
Runnin in niggaz houses, niggaz fighting appeals  
Offering 50 years to innocent motherfuckers  
All because of the game, niggaz run outta hustle  
Feds be showin pictures, you got to give 'em somethin  
Time make a nigga forget it and start bumping  
And saying shit, jeopardizing the whole thang  
Niggaz run out of freedom, niggaz start to sang (Yeah,  
yeah, yeah, yeah, yeah)  
Laughing in your face, chuckle and produce  
Avoid they conversation, them niggaz the dudes, fool

[Chorus]

[Outro - spoken as Chorus repeats]

Thing is, when a motherfucker is doing dirt

Don't come moving it, ya know what I mean  
Ya know, that won't get you no Rolls Royces and shit  
like mine baby  
Your money dirty, wash your shit  
Them motherfuckers out here, yeah

"dirty money" [scratched to end]
