When an hour turns into a day  
A week in forever and  
Months into shame

Let's slow down a tenth time, your lie  
Rest your rebellian for opening fire

I solemnly swear  
I will pay for fire and flames  
Waiting...

Aim for  
Aim for the eyes and shoot  
Open opening fire to you

Aim for  
Aim for the eyes and shoot  
Open opening fire to you

When an hour turns into the blue  
What were you saying,  
Cause I can't get used to the thought  
Every turn has it doubt.

Roadkill the season  
And heaven it's clouds are  
Solemnly swear  
I will pay for fire and flames  
Waiting

Aim for  
Aim for the eyes and shoot  
Open opening fire to you

Aim for  
Aim for the eyes and shoot  
Open opening fire to you

Aim for  
Aim for the eyes and shoot  
Open opening fire to you
