Like paper cuts  
You took me by surprise  
Easy to shred  
Hard to resist somehow  
I, I'm gonna take it all  
And I, I'm taking you along

About time...

Gimme a sign or tell me right away  
Can you unite or just somehow relate  
With ruby red, the ruby lips you wear  
I await  
I, I'm gonna take it all  
And I, I'm taking you along

About time I push the faders high

Now you relate to it somehow  
Ruby red I await child  
Time and time again I find  
Always looking for high now

You relate it somehow  
Paper cuts at both sides now  
Time and time again

Easy to shred  
So ruby red  
I await  
Time and time again  
Can you now relate  
I, I'm gonna take it all  
And I, I'm taking you along

About time I push the faders high

Now you relate to it somehow  
Ruby red I await child  
Time and time again I find  
Always looking for high now

You relate it somehow  
Paper cuts at both sides now  
Time and time again
