You could say this was an independent love song

It's nothing like to us what love meant to them

But, that's not to say the love we have isn't big or that strong

I'm doing it a different way

I'm doing it a different way

You might say this another boring love song

To be together and forever be true

And so today it's much the same as it was then

I'm doing it a different way

I'm doing it a different way

I'll show you how to take me

Go down go down

And I'll show you how to turn me

Right on right on

And I'll show you how to touch me

Right on right on right on

Right on right on right on

Now it's fine that many men will look my way

And I'll let them take me home and let them show me the way

And sure I'll like a few but I'll leave the rest to play

I'm doing it a different way

I'm doing it a different way

I'm gonna show you how to take me

Go down go down

And I'll show you how to turn me

Right on right on

And I'll show you how to touch me

Right on right on right on

Right on right on right on

In a different way, in a different way

In a different way, in a different way

In a different way, in a different way

In a different way

I'll show you how to take me

Go down go down

And I'll show you how to turn me

Right on right on

And I'll show you how to touch me

Right on right on right on

Right on right on right on

You could say this was an independent love song

It's nothing like to us what love meant to them

But that's not to say the love we have isn't good or that strong

I'm doing it a different way

I'm doing it a different way
