You could say this was an independent lovesong  
It's nothing like to us what love meant to them  
But that's not to say the love we have isn't big or that  
strong  
I'm doing it a different way  
I'm doing it a different way

You might say this is another boring lovesong  
To be together and forever be true  
And so today it's much the same as it was then  
I'm doing it a different way  
I'm doing it a different way

I'll show you how to take me  
Go down go down  
And I'll show you how to turn me  
Right on right on  
And I'll show you how to touch me  
Right on right on right on  
Right on right on right on

Now it's fine that many men will look my way  
And I'll take them home and let them show me the way  
And sure I'll like a few but I'll leave the rest to play  
I'm doing it a different way  
I'm doing it a different way

I'm gonna show you how to take me  
Go down go down  
And I'll show you how to turn me  
Right on right on  
And I'll show you how to touch me  
Right on right on right on  
Right on right on right on

In a different way, in a different way  
In a different way, in a different way  
In a different way, in a different way

I'll show you how to take me  
Go down go down me  
And I'll show you how to turn me

Right on right on  
And I'll show you how to touch me  
Right on right on right on  
Right on right on right on

You could say this was an independent lovesong  
It's nothing like to us what love meant to them  
But that's not to say the love we have isn't good or that  
strong  
I'm doing it a different way  
I'm doing it a different way
