Upstream seems so far away

On a river that's flowing northerly  
Upstream seems so far away to me right now  
But if you're going to the woods  
If you're going to the woods  
I swear I'll leave you dry

Will you wear my coat?  
Will you wear my coat of butterflies?  
Will you wear my coat?  
Will you wear my coat of butterflies?

That float so softly by  
I'm calmer now than I've ever been before<sup>1</sup>  
One night of peaceful sleep  
That's all I ask  
And it doesn't feel like a disguise

When you wear my coat

Will you wear my coat?  
Will you wear my coat of butterflies?  
Will you wear my coat?  
Will you wear my coat of butterflies?

On a river that's flowing northerly  
Upstream seems so far away to me right now  
But if you're going to the woods  
If you're going to the woods  
My god, I swear I'll keep you dry

Will you wear my coat?  
Will you wear my coat of butterflies?  
Will you wear my coat?  
Will you wear my coat of butterflies?
