Come closer... man I know you  
Can't you tell me... just what you're goin' through  
I take my medals... and go back in time  
My body's movin'... but I... I think I fried my mind

I joined the Army just to please her  
Put my ideas in the freezers  
My love letters in the trunk  
Gone to bed at 21

Safe and warm here, lyin' in your feather bed  
Cannonballs are flyin' overhead  
Virgin Mary... a swingin' from her chain  
Put a noose around my neck...'cause here they come  
Again

I joined the Army just to please her  
Put my ideas in the freezers  
My love letters in the trunk

Gone to bed at 21

I joined the Army just to please her  
Put my ideas in the freezers  
My love letters in the trunk  
Gone to bed at 21

Made a big mistake... tryin' to think ahead  
Better alive and chicken... than bein' shipped home  
dead  
I guess I'll live on... in her memories  
'Cause I see angels and devils... wavin' down at me

I joined the Army just to please her  
Put my ideas in the freezers  
My love letters in the trunk  
Gone to bed at 21

[Repeat]

Gone to bed at 21

[Repeat to end - first stanza repeats in background]
