Everyday must I wait on you hand and foot?  
Cause on the way past I  
One time when you made me feel so good

Ribbons in your hair, they were never there  
And it's not a subscription, not a daily nightmare  
It's upkeep I can't keep up, so I keep the faith and  
Wear  
And I think you have gone nuts, all my time's full  
There

This wound will never mend a trophy for a friend  
Why don't you take a vacation from the land of make-  
Pretend  
It's upkeep I can't keep up, so I keep the faith and  
Wear  
And I think you have gone nuts, all my time's full  
There

And everyday must I wait on you hand and foot?  
Cause on the way past I

That one time when you made me feel good

Everyday must I wait on you hand and foot?  
Cause on the way past I  
One time when you made me feel so good

Ribbons in your hair, they were never ever there  
And it's not a subscription, not a daily nightmare  
It's upkeep that I can't keep up, so I keep the faith  
And wear  
And I think you have gone nuts, all my time's?

And everyday must I wait on you hand and foot?  
Cause on the way past I  
One time when you made me feel good

Everyday must I wait on you hand and foot?  
Cause on the way past I  
One time when you made me feel so good, you're so

good
