Suddenly years go by,
Not to say I wouldn't try,
To make the time pass slower one by one,
Days they float away,
Not to say we wouldn't wait,
We wouldn't wait for me.
Well I knew I'm a wreck,
These things don't come easy you still need to know
I'm alive,
And I'm true to my promise,
That every breath that I take would be rest by your side,

But I can't be there,
So I'll settle for less for the moment,
But we would stay there,
And it's true that it's you that I need,
No matter who else that I meet it all comes back to you
and me,

We used to stay the same,
Not to say I didn't change,
I still know what I want now to this day,
Your presence its haunting me,
The ghost of what I want this to be,
But soon we'll bring it back,
Well I know I'm a wreck cause things,
Don't come easy you still need to know I'm alive,
And I'm true to my promise,
That every breath that I take would be rest by your side,

Casting shadows,
Buts it's all just stayed the same recurring doubt,
Nothing matters,
But I swear I stepped on graceful way I fell, way I fell,
Well I know I'm a wreck,
These things don't come easy you still need to know
I'm alive,
And I'm true to my promise,
That every breath that I take,
Would be rest by your side,

But we would stay there,

And it's true that it's you that I need,
No matter who else that I meet it,
All comes back to you and me.
