Giving up, giving in
I won't be no fool again
I'm giving up (I'm giving up now)
Giving up (I'm giving up now)
Giving up (I'm giving up now)
Yeah (I'm giving up now)

I'm giving up, giving in
You can sweet talk to the wind
'Cause I'm giving up (I'm giving up now)
Giving up (I'm giving up now)
I'm giving up (I'm giving up now)
Yeah, yeah (I'm giving up now)

Too much giving, just no take
Guess I saw it all too late
I'm giving up (I'm giving up now)
Giving up (I'm giving up now)
I'm giving up (I'm giving up now)
Yeah (I'm giving up now)

All those lies and alibis
That you smoothed out every time
Now I'm giving up (I'm giving up now)
Giving up (I'm giving up now)
I'm giving up (I'm giving up now)

*Giving up, always regretting
Giving up, all your deceiving
Giving up, always excusing (yeah)
Giving up, (there's) no more delusion

**Giving up, always regretting
Giving up, no more forgiving
Giving up, too many alibis
Giving up, all of your stupid lies

I'm giving up, I'm giving in
'Cause this old heart ain't gonna rule my head
Now I'm giving up (I'm giving up now)
Giving in (I'm giving up now)

Giving up (I'm giving up now)
Giving in (I'm giving up now)

I'm giving up, I'm giving in
My blind hate has got eyes again
I'm giving up (I'm giving up now)
Giving in (I'm giving up now)
Giving up (I'm giving up now)
Yeah (I'm giving up now)

I'm giving up, I'm giving in
I won't be no fool again
I'm giving up, yeah (I'm giving up now)
Giving in (I'm giving up now)
Giving up (I'm giving up now)
Yeah (I'm giving up now)

I'm giving up, giving in
You can go sweet talk to the wind
'Cause I'm giving up, yeah (I'm giving up now)
Giving in (I'm giving up now)
I'm giving up, yeah (I'm giving up now)

* repeat
Giving up, always regretting
Giving up, no more forgiving
Giving up, always believing
Giving up, all your deceiving

Giving up, can't you be honest once in life
Giving up, all of these cruel lies
Giving up, all of your alibis
Giving up, all of your stupid lies, yeah

Giving up
Giving up
Giving up...

* repeat
