"Count Backwards from Ten"

Visit "[Count Backwards from Ten](#)" on MotoLyrics.com

I've seen it all and I said
She's calling out to us all
And I ache
She did not know it belonged to me
And we could fall into each others arms and severed
clean
Oh where to lean
Now, it's something that I could've asked for
Apparently
We're not alone
And I don't know what I saw
And I hope that no one saw
Stand by my side

Better off dead
Better off dead
Better off dead

You seem a little low again
I'm ready to leave again
Seem a little low
And eyes start to roll

I reveal
I reveal
To see that little glow again
I'm ready to leave again
Seem a little low
And the wheels start to roll
I reveal
I reveal
To see that a little glow

I've seen all that's there
And I seen it all and I said
Its calling out to all and I ache
She did not know it belonged to me
And it was something that I couldn't ask for
And it was something that I couldn't ask for
Better off dead
Better off dead

Seem a little low again
I reveal
Seem a little glow again
To see that little glow again
Seem a little low
And the wheels start to roll
I reveal
I rebel
To see that little glow again
Seem a little low
And eyes start to glow
I reveal
