

Big Pink, The "Love in Vain"

Visit "[Love in Vain](#)" on MotoLyrics.com

If you really love him then tell me that you love him
again

And you won't mind when
I suggest you go
You said to keep calm
And we won't tell a soul
And you really must do this
So we'll never be alone
I won't treat you wrong
But at least in love
Our hearts won't be apart for too long
So don't say it again

If you really love him then tell me that you love him
again and go
I can see your love changing hands before too long
If you really love him then tell me that you love him
again and go

I let go of your hand and you suggest I go

And with that I was gone
And after all that was said
Was it meaningless
When you danced with me
To "walkin' in the sand"?
And I'd like you to know
That my love is love that you can be sure of
So tell me now and I won't ask again
