oh yea, oh yeah, oh yeah
Whenever the world puts me down
Down on the ground
When i need somebody to talk to, you come around

When im restless
When nothing feels right
oh so restless
I cant sleep at night
I know what to do
Cause i got you
yea You seem to be the answers to my prayer

Whenever the world puts me down
Down on the ground
When i need somebody to talk to, you come around
Whenever the world puts me down
I turn to you
And you make me feel alright
at the speed of your sound

When im out there
When things aint good
When im out there
And i dont feel understood
I know who to call
Cause you know it all
You seem to be the answer to my prayer

x3
Whenever the world puts me down
Down on the ground
When i need somebody to talk to, you come around
Whenever the world puts me down
I turn to you
And you make me feel alright
at the speed of your sound
