Verse:

Stay awhile
I can't believe this could get any worse
I've lost everything I ever had
Cuz I threw it all away
And I know I'll never change

Chorus:

Can you hear me?
Am I the only one here?
Can I write down the pages
Of all the years that have gone by that we've wasted
Is it over?
Is it all for nothing?
I'm not so sure
Anymore

Verse:

Grey
It's the color in your eyes
You can't disguise
The pressures around
Cuz life is hard and black is the heart that knows no
healing
So turn, turn the page
And release the pain

Bridge:

I can't do this anymore (2x)
Something I can feel it
Blood dripping from a hand
I can't do this anymore (2x)
Something in the air
Tells me I'm forgiven

Last Chorus:

Can you hear me?
Am I the only one here?
Can I write down the pages
Of all the years that have gone by that we've wasted
It's not over
I'm still fighting

I am so sure
I'm not alone
