Tell me who are you and what
Do you want from me
Cuz I will not alone
Take this leap

So tell me do you ever
Think of me
When you picture
All you'll hold
Can you, can you find me
When you search
Into your soul

Do you ever think of me,
When you lay down to dream
Do you ever hold me tight
When you're kissing him
Good-night, and she said

Only when the rain slips in
Only when the rain slips in

Are you toying with me
Or do you really fear
It's not accidental,
This ain't surreal

Do you ever think of me,
When you lay
Down to sleep
Do you ever hold me close
As close as the Holy Ghost
And she said

Only when the rain slips in
Only when the rain slips in

So what is the rain to you
When you feel its touch
When you hear it
Do you fear it

Does it bring you much comfort

Tell me is it Jesus, sending
Tears from way up high
Or the Holy Spirit saying our
Love will never die
No we'll never die
No we'll never die

Tell me, tell me . . .

Only when the rain slips in
Only when the rain slips in
