Tragic, broken like a china door
Burning like a gun shot

But I still wake up, I still see your ghost
Oh Lord, I'm still not sure what I stand for oh
What do I stand for? What do I stand for?
Most nights, I don't know anymore... oh woah
Oh woah, oh woah, oh woah oh oh

[Chorus]
I'm falling to pieces
I'm falling to pieces
I'm falling to pieces

So I cross my heart and I hope to die
That I'll only stay with you one more night
And I know I said it a million times
But I'll only stay with you one more night

[Chorus]
I'm falling to pieces
I'm falling to pieces
I'm falling to pieces

Take me now
The worlds such a crazy place
When the walls come down
You'll know I'm here to stay
There's nothing I would change
Now were back together
Everything that's in our way
Were better then all right
