Da-Da darling!
Who knows how soft, a lit-tle kitty, is?
Da-Da darling!
Who know how soft, a lit-tle fluff, can fe-el like?

Just look up, face to the wall!
You might grow just 10 feet tall!
Just look up!
And face, your-self.

Da-Da Darling!
Who knows how bright, the night time sky, i-is?
Da-Da Darling!
The night time stars, are so big and bri-ight!

Just look up, face to the wall!
You might grow just 10 feet tall!
Just look up, and face, the world!
Just look up, and face, you-self...

And face, your-self!
