I have seen.  
For what there is to be!  
No matter how, ginormous!  
It's all up to me!

With silver in the forest!  
And blue, in the seas!  
When both of them combi-ine!  
Animals watch, plus, the bees!

Silver in blue!  
Silver in blue!  
No need for mammals!  
Goody-Two Shoes!

Silver in blue!  
Silver in blue!  
When watching us!  
Read along, through and through!

\*clap! \*  
\*clap, clap, clap, clap\*  
\*clap! \*  
\*clap, clap, clap, clap\*

Silver in blue!  
Silver in blue!

\*clap! \*  
\*clap, clap, clap, clap\*  
\*clap! \*  
\*clap, clap, clap, clap\*

Silver in blue!  
Silver in blue!

For once in my life, I've been waiting for!  
For freedom, in true of me!  
For once in my life, I've been waiting for!  
For freedom, into lively!

For silver... with the blueness!  
For blue... with the gray waves!  
For all that has been seen, inside of me!  
Silver and blue is no! Fun and games...

Silver in blue!  
Silver in blue!  
No need for mammals!  
Goody-Two Shoes!

Silver in blue!  
Silver in blue!  
When watching us!  
Read along, through and through!

\*clap! \*  
\*clap, clap, clap, clap\*  
\*clap! \*  
\*clap, clap, clap, clap\*

Silver in blue!  
Silver in blue!

\*clap! \*  
\*clap, clap, clap, clap\*  
\*clap! \*  
\*clap, clap, clap, clap\*

Silver in blue!  
Silver in blue!

Silver in blue!  
Silver in blue!  
Everything is...  
In silver in blue!

Silver in blue!  
Silver in blue!  
For once...  
The world is free!

Silver a-and blue!
