I say these words to ring in your ears  
I want these words to sing to your soul  
To wrap around your eyes like a glimpse of tomorrow  
Today our joy outweighs all our sorrow

CHORUS:

I will bare my soul to you  
Do anything you ask me  
I'll bare my soul to you  
This is the best that I can do  
I'll bare my soul to you

You think you know the man that is me  
The one your heart demands you to see  
When fear has made a lie of our perfect perception  
The truth of love is in our redemption

CHORUS

Oh I say these words - they're ringing  
Can you hear these words I'm singing  
I will bare my soul to you

CHORUS
