We are both shadows moving on a wall  
Two characters both weak and strong  
We chant and we dance  
We draw ourselves in  
Then we run from each other again

CHORUS:

Love is so strange  
How we change from day to night  
Love is so strange  
How we change from black to white  
Love is so strabge  
How we change from day to night

I draw a picture of your face  
Another time, another place  
We are the ones who fell into this love  
We must be in the right place

CHORUS
