Last night I had a desperate dream  
I was standing in the winter rain  
Footsteps close behind me  
Somebody called out my name

No magic mirror can erase  
These lines of living on my face  
Lessons learned and lost

CHORUS:

Take my life  
Into my own hands  
Make this world  
Into my own land  
Take this life  
I'll take my stand  
Take this world  
Into my own hands

I was walking in the summer sun  
Thinking that my life had just begun  
How wrong could I be

CHORUS
