

Mister Heavenly "Power Over Me"

Visit "[Power Over Me](#)" on MotoLyrics.com

I sit and watch you sleep
As you dream your dangerous dreams
I feel the healing heat
As the inner voices scream

Your pain is mine
My blood is yours
I feel so helpless just watching you

CHORUS:

This is the power over me
I'm rendered helpless
You've got me on my knees

You have the power over me
Nothing is certain
I wait for recovery

They say it's always the same
Two steps forward and one step back
Whatever he arranges
We must do the best we can

Your pain is mine
My blood is yours
Can you hear me - I'm calling you

CHORUS
