Talk to me
Tell me what you're thinking
Talk to me
Say the words you want to here
I can be entertaining
What do you like
What do you want to do

Don't be a - don't be a stranger
I wanna - I wanna take you
Somewhere that - somewhere that we can

CHORUS:
Talk the talk
Start up a conversation
Talk the talk
Put me inside your mind
Talk the talk
It could be a revelation
Talk the talk
We're talkin' the talk this time

Talk to me
I can see you wanna
Talk to me
Say the words I want to here
We can be entertaining
I know what you like
I know what you want to see

Don't be a - don't be a stranger
I wanna - I wanna take you
Somewhere that - somewhere that we can

CHORUS
