Hi dear, what's on tonight
Let's stay up and watch the tube
And bask in the big blue light
Bye bye real life
Checking into checking out
It's saturation time

Perfect faces
Perfect background
Perfect everything

CHORUS:

I want to live in a dream that's never ending
I want to love all the wasted time I'm spending
Tonight I can take it all away
Because tonight I'm everything I wanted to be

Well dear
It's a good thing
I don't have to look at you
And you don't have to look at me
I think that's a good thing

We're perfect strangers
Perfect oh oh oh oh
Perfect everything

CHORUS
