I'm crying tears of joy  
I'm crying tears of pain  
I'm crying tears of joy  
They run down my face  
Into a river that winds its way into your life

Welcome little one  
To this place of earth and stone  
Welcome little one  
All blue eyes and innocence  
The world is so much colder than your own soft glance

Hey it's a human race  
Hey it's a brave new place  
Hey now you're at the gate

CHORUS:  
Welcome to the real world  
There's so much to learn  
Welcome to the real world

The past is a memeory  
The chains that were choking me  
I'm crying tears of pain  
I'm crying tears of joy  
I see my freedon lying in my arms tonight

CHORUS
