"Wise Men"

Wise men don't know nothin'
About the way I feel
And how my heart heals

And I try so hard to keep my head on straight
But I'm cracking like a coconut anyway
And I'll throw caution to the wind
Rattle around in your cauldron again
But if you're standing in the wings
Please don't wake me up

Wise men don't know nothin'
About the way I feel
And how my heart heals

And I try so hard to keep my head on straight
My brain obeys but my body betrays me everyday
And I'll throw caution to the wind
Bury my love inside quick dryin' cement
Swim across this bottomless ocean
But if you're standing on the shores
Please don't wake me up
