"Born Survivor"

Hard time, hot time, saturday night, drink a little
Beer, maybe get in a fight. Never look for violence,
Always get to blame, danger ain't a stranger when
Trouble knows your name.

I'm calling to the man out on the wrong side of the
Tracks he thinks he's got me numbered, that the
Message's coming back.

And so hey: I'm a born survivor. Playing hard is the
Name of the game. I'm a born survivor and if you knock
Me down: I'll be back again.

Primetime, hourtime, loyalty's died, hard rocking boys
Gonna see us riot. Never seem to weaken, always turn
The skrew thinking you're the one, just not a second
For stand true.

I'm calling to the man out on the wrong side of the
Tracks he thinks he's got me numbered, that the
Message's coming back.

And so hey: I'm a born survivor. Playing hard is the
Name of the game. I'm a born survivor and if you knock
Me down: Don't hang along...

Cause many?, many drive, many men beaten and
many
Men cry. Many men run, trying it high? cause few of
Them died.

I'm calling to the man out on the wrong side of the
Tracks he thinks he's got me numbered, that the
Message's coming back.

And so hey: I'm a born survivor. Playing hard is the
Name of the game. I'm a born survivor and if you knock
Me down: Don't hang along...

I'm a born survivor. Playing hard is the name of the
Game. I'm a born survivor and if you knock me down:

Don't hang along...

I'm a born survivor. Playing hard is the name of the
Game. I'm a born survivor and if you knock me down:
Don't hang along...
