Yes I know that people all around talk shit about us-
They
Don't know what we are they just wanna make a fucking
Fuss! But listen to me and what I got to say-We are just
Working class patriots and we rule youth today!

We are skinheads, skinheads from Finland-And we
know who
We are, and we know what we can do! We are
skinheads
Fighting for freedom-Fighting for our land, fighting for
The things we stand!

Our government try to put us down 'cause we fight
against
Our enemies-We are all the blame, we are always the
fault
We are the worst thing! they've ever seen But they
don't
Know that we are one for all and all-for one That's the
Way where we've been growing up and that's the way
it's
Going to be!

We are skinheads, skinheads from Finland-And we
know who
We are, and we know what we can do! We are
skinheads
Fighting for freedom-Fighting for our land, fighting for
The things we stand!
