They come to take me now but I don't wanna go to jail! I
Hear the cops are comming-I can hear the sirens wail!

Retreat to nowhere-Nowhere to run! Got my back
against a
Wall-Loading up my gun! Retreat to nowhere-Nowhere
to
Run! Got my back against a wall-Loading up my gun!

They're coming up the stairs to put me up in chains! I'm
Gonna go against them and blow right out their brains!

Retreat to nowhere-Nowhere to run! Got my back
against a
Wall-Loading up my gun! Retreat to nowhere-Nowhere
to
Run! Got my back against a wall-Loading up my gun!

No way they can take me alive-There's no way I can tell!
I'm gonna kill those fucking pigs and bring 'em with me
To hell!

Retreat to nowhere-Nowhere to run! Got my back
against a
Wall-Loading up my gun! Retreat to nowhere-Nowhere
to
Run! Got my back against a wall-Loading up my gun!
