I'm a White Man in my land-Well it looks like it's a
Crime! Politicians made me second rate-Treating me
like
Slime! The hordes of subhuman lowlife are stepping on
my
Face! I can't stand to see my country tainted by black
Race!

I'm a soldier fighting for my land-I'm a soldier with
Justice in my hand! I don't care if I go to jail and I
Don't give a fuck, if you don't understand!

A lot of people in this land who thinks it's all the
Same! But things are going straight to hell and I know
Just who to blame! I'll start a riot of my own and make
The people see-It's my job cos I love my land-So don't
You mess with me!

I'm a soldier fighting for my land-I'm a soldier with
Justice in my hand! I don't care if I go to jail and I
Don't give a fuck, if you don't understand!
