There's no second chances  
No time for romances, o-oh  
No consequence weighing  
His heart left decaying, o-oh  
He's lost in his thinking  
Disguised by his drinking, o-oh  
No regret or falling  
No well wishers calling, o-oh

And when he sleeps I hope he's okay  
But when he drinks he hits on you  
And when he sleeps I know he's okay  
'Cause when he dreams he's someone new

The pain of desire  
Is quenched by the fire, o-oh  
No inkling of caring  
He's grief-stricken, staring, o-oh  
No bloodloss or feeling  
As smoke hits the ceiling, o-oh  
He sips down his sorrow  
And prays "no tomorrow", o-oh

O-oh

But when he sleeps I hope he's okay

But when he drinks he hits on you  
And when he sleeps I know he's okay  
'Cause when he dreams he's someone new

I love you, Alexander [x4]  
We'll be together forever

It's all for love [x11]  
It's all for...

And when he sleeps I hope he's okay  
But when he drinks he hits on you  
And when he sleeps I know he's okay  
'Cause when he dreams he's someone new, ooh

No hearing her laughter  
For in the hereafter, o-oh  
He's handsome, well-spoken  
His heart can't be broken, o-oh

O-oh, oh  
O-oh, oh

Goodnight, Alexander  
Goodnight

Goodnight..
