Feel it!
No!

>From the goodness of your mind
And it's a cover up
Black man feel it
No justice
Racism - it's a cover up
People know it

Do you remember Stephen Lawrence
Black male cut down in south London?
And Babylon, called to account,
Made a true confession

>From the goodness of your mind
It's a cover up
Black males feel it
No justice
And it's a cover up
Racism - it's a cover up
Black man knows it

>From youth when you start education
Then later on in the workplaces
How can man and woman get through?
But majority knows your true confessions

Are from the goodness of your mind
And it's a cover up
Black man feel it
And no justice
And it's a cover up
Racism - it's a cover up
People know it
Blackman feel it
People know it
Blackman feel it
