Tribulation's upon the land - can you feel it, my brother?

Jah Jah how long? Jah Jah, Jah Jah how long?  
Jah Jah how long? Jah Jah, Jah Jah how long?

Over four hundred years down here in captivity  
Satan set I free but I'm not free  
How long, Jah Jah, do we have to suffer? How long,  
Jah Jah, must we feel the pain, must we feel the pain?

Here me shouting  
Jah Jah how long? Jah Jah, Jah Jah how long?  
Jah Jah how long? Jah Jah, Jah Jah how long?

There's not a place on earth for the human race  
The way man can't be free from money controller,  
money controller  
How long, Jah Jah, do we have to suffer? How long,  
Jah Jah, must we feel the pain, must we feel the pain?

Here me shouting  
Jah Jah how long? Jah Jah, Jah Jah how long?  
Jah Jah how long? Jah Jah, Jah Jah how long?

[repeat]
