Jah see, Jah know  
Who will stay and who must go  
Jah see, Jah know  
Who will stay and who must go

I often wonder, if everyone would see Jah Jah  
I often say to myself, Am I livin' a righteous life?  
So tell me, who is to know  
Which way life would have one go?  
Tell me, who is to say  
What is going to happen on Judgement Day?

Jah see, Jah know  
Who will stay and who must go  
Jah see, Jah know  
Who will stay and who must go

Jah see, Jah know  
Who will stay and who must go  
Jah see, Jah know  
Who will stay and who must go

It's easy to pretend  
But heaven help us when our days come to an end  
His Majesty said, Verily, what must be  
Has surely got to be

So tell me, who is to know  
Which way life will have us go?  
Tell me, who is to say  
What is going to happen on Judgement Day?

Jah see, Jah know  
Who will stay and who must go  
Jah see, Jah know  
Who will stay and who must go

Jah see, Jah know  
Who will stay and who must go  
Jah see, Jah know  
Who will stay and who must go

Remember all those promises  
Jah has made to us in this life  
Forget not what He's done for us  
He's the only One we can really trust

So tell me, who is to know  
Which way life will have one go?  
Tell me, who is to say  
What is going to happen on Judgement Day?

Jah see, Jah know  
Who will stay and who must go  
Jah see, Jah know  
Who will stay and who must go
